We hope everyone enjoyed this year's WalkFest. This was the biggest festival to date and it was challenging at times so we need your help to tell us what was good and what wasn't so good. We want to make sure 2009 is even better than this year. There will be a prize of a free walk place and a free Ceilidh ticket for one lucky person who completes our online or postal evaluation. Anyone who doesn't have access to a computer will be sent a postal evaluation form.
